MAPPING AESTHETIC PRACTICE TO INDUSTRY QUALIFICATIONS

A FAST TRACK PROCESS TO A LEVEL 7  
QUALIFICATION IN RECOGNITION OF  
PRIOR LEARNING (RPL).

VTCT (ITEC) Level 7 Diploma in Clinical  
Aesthetic Injectable Treatments

## WHAT IS RECOGNITION OF PRIOR LEARNING ?

Recognition of Prior Experiential Learning (RPEL) is an assessment method that recognises a practitioners previous informal education, training and experience. RPEL assessment will enable practitioners to proceed straight to assessment without undertaking a full learning programme.

## WHO IS MAP-IQ ?

MAP-IQ is an OFQUAL regulated, VTCT accredited and JCCP approved training and assessment centre for the Level 7 Diploma in Clinical Aesthetic Injectable Treatments.

Our aim is to support experienced aesthetic practitioners to achieve a regulated Level 7 qualification in recognition of previous learning and clinical experience.

## THE MAP-IQ FASTTRACK RPEL ASSESSMENT PROCESS

The MAP-IQ RPEL assessment process allows experienced practitioners to go straight to assessment without the need to repeat previous learning. MAP-IQ provides resources and reading materials to guide practitioners through each stage of the assessment process. Successful completion of an RPEL mapping exercise will allow practitioners to proceed to the written exam. and OSCE

# The 3 Stage Assessment Process

## STAGE 1. RPEL Mapping Exercise

Stage 1 requires the learner to meet with a MAP-IQ assessor to map their previous learning and experience to a range of learning outcomes

## STAGE 3. Written Exam

Stage 3 requires the learner to complete an online written exam to meet the learning outcomes across all units.

## STAGE 4. Clinical Skills OSCE

Stage 4 requires the learner to demonstrate clinical skill in the administration of a botulinum toxin and soft tissue filler treatment.

Successful completion of the three-stage assessment pathway signifies the end of the assessment process and the achievement of a Level 7 Diploma in Clinical Aesthetic Injectable Treatments. Aesthetic practitioners can then use the following post-nominal title after their name. PGDipAes (VTCT).
