OVERVIEW OF QUALIFICATION

The VTCT Level 4 Award in the Internal Quality Assurance (IQA) of Assessment processes and practice is a regulated vocational qualification that will prepare practitioners for a career in internal quality assurance within the education and training sector.

The MAP-IQ route to qualification has been specifically designed to support non-surgical cosmetic practitioners working in education and training to achieve a regulated qualification in internal quality assurance (IQA).

The qualification is delivered and assessed completely online; therefore, it is accessible to all, regardless of geographical location.

WHO IS MAP-IQ?

MAP-IQ is an OFQUAL regulated, VTCT accredited and JCCP approved training and assessment provider. We offer a range of regulated educational qualifications to support NSC practitioners to attain competency in teaching, assessment and IQA roles. In addition, we offer a fasttrack RPEL route to a level 7 Diploma in Clinical Aesthetics. You can find out more information by visiting our website at: www.map-iq.org

WHO IS VTCT?

The Vocational Training Charitable Trust (VTCT) is an OFQUAL regulated Awarding Organisation (AO).

VTCT is the UK's market-leading specialist vocational and technical awarding organisation and end-point assessment organisation (EPAO) that delivers a range of sector qualifications.

Educational qualifications include; Education and Training, Vocational Assessment, Internal Quality Assurance and External Quality Assurance. VTCT has over 2,500 approved training centres worldwide with over 120,000 learners and apprentices every year.

The qualification is delivered by MAP-IQ and awarded by VTCT.

A collage of three images: a woman in a white lab coat, a man in a black apron working in a kitchen, and a woman in a blue top. The background of the entire bottom section is a large image of a smiling woman.

Awarding world-class qualifications

ABOUT THE LEVEL 4 IQA QUALIFICATION

The Level 4 award in Internal Quality Assurance comprises of 2 units. The MAP-IQ route to qualification also provides specific focus on conducting internal quality assurance of assessment in non-surgical cosmetic practice.

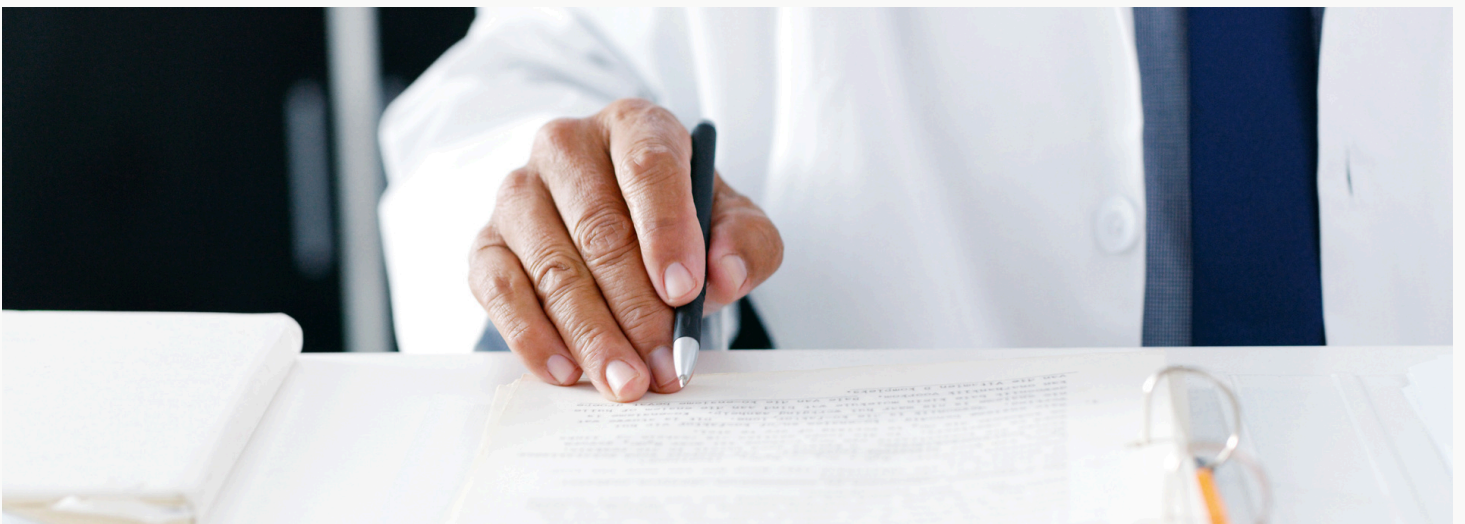

Unit 1: Understand the principles and practice of internally assuring the quality of assessment.

Unit 2: Internally assure the quality of assessment.

Each unit has a set of learning outcomes that learners must meet to achieve the qualification.

Guided learning Hours (GLHs) - 45
Total Credits - 12 (RQF)

The qualification learning outcomes are mapped to the relevant National Occupational Standards (NOS).

THE ASSESSMENT PROCESS

Learner competency is assessed through a two-stage assessment process.

STAGE 1 WRITTEN ASSIGNMENT

Stage 1 of the assessment process requires the learner to complete a written assignment in the form of short answer questions (SARs) to evidence competency to meet the learning outcomes for unit 1.

STAGE 2 IQA SAMPLING

Stage 2 requires the learner to complete IQA sampling activities of the learner work and assessment process to demonstrate competency to meet the learning outcomes for unit 2.

Stage 1 - is flexible and conducted in the learners' own time and submitted to MAP-IQ for assessment.

Stage 2 - is flexible and conducted in the learners' own time and submitted to MAP-IQ for assessment. Your final IQA sampling activity will be a simulated case.

An RPEL route is available experienced internal quality assurers.

WHY CHOOSE MAP-IQ?
